

CYCLE RACE EVENTS

March and April 2026

4 British Cycling sanctioned Cycle Races will be taking place on local roads starting at Old at 10:00 a.m. and finishing at approximately 11:30 a.m. on the following Saturdays in March and April.

The Dates are **14th and 21st March. 11th and 25 April**

The route map below shows the roads that will be being used.

The riders will be within a convoy of clearly marked officials' cars but will be riding at speeds between 15 and 45 mph at different parts of the circuit so please be aware that they may be going faster than you would normally expect.

There will be a strong Accredited Marshalling presence at each event but there still may be some minor delays for other road users.

All of the riders and officials are grateful for everybody's patience and consideration.

Thank you in advance
